NOTE: Co-investors and investments listed are for illustration purposes only. These co-investors are some that AV has historically co-invested with and is not a predictor of future co-investors for any given portfolio company. There is no guarantee of who will be the co-investors. These investments are not intended to suggest any level of investment returns; not necessarily indicative of investments invested by any one fund or investor. Many returns in investments result in the loss of capital invested. These investments are not available to future fund investors except potentially in certain follow-on investment options.

The manager of the AV Funds is Alumni Ventures (AV), a venture capital firm. AV and the funds are not affiliated with or endorsed by any college or university. These materials are provided for informational purposes only. Offers of securities are made only to accredited investors pursuant to each fund's offering documents, which describe among other things the risks and fees associated with the Fund that should be considered before investing. The funds are long-term investments that involve a substantial risk of loss, including the loss of all capital invested. Past performance is not indicative of future results. Opportunities to invest in any

security (of a Fund, of AV or in a syndication offering) is not a guarantee that you will be able to invest and are subject to all terms of the specific offering. Diversification cannot ensure a profit or protect against loss in a declining market. It is a strategy used to help mitigate risk.
