

# 2025 Seed Apex 20

20 Portfolio Companies We Are Proud to Spotlight

## We are pleased to announce our **2025 Seed Apex 20**.

This selection of 20 ventures from AV's portfolio of 950+ seed companies\* represents some of the names we're excited to spotlight. These companies were selected for their variety, innovative impact, performance, and upside.

As one of the most active venture capital firms globally, Alumni Ventures routinely co-invests alongside brand-name lead investors as we strive to be the industry's "co-investor of choice." Please explore our list of amazing seed companies.

- Simplifies mental health access through AI-driven tools, personalized care, and provider-client matching

- Offers a metabolic fitness program that uses continuous glucose monitoring to provide personalized insights into how diet and lifestyle impact health
- New and key features continued to roll out, including in-app CGM order management, macronutrient tracking for food logging, and offline logging
- Co-Investors: Andreessen Horowitz

NOTE: Portfolio company investments shown for illustrative purposes only. No representation is intended that the outcomes shown or discussed are representative of the outcomes experienced by any AV fund or investor. Co-investors listed are for illustration purposes only. The example investments are not available for future investors, except potentially in the case of follow-on investments. These co-investors are some that AV has historically co-invested with and is not a predictor of future co-investors for any given portfolio company. There is no guarantee of who will be the co-investors in any given investment, and the identity of a co-investor is not necessarily predictive of investment outcomes.

**Important Disclosure Information:** The manager of the AV Funds is Alumni Ventures (AV), a venture capital firm. AV and the funds are not affiliated with or endorsed by any college or university. These materials are provided for informational purposes only. Offers of securities are made only to accredited investors pursuant to each fund's offering documents, which describe among other things the risks and fees associated with the Fund that should be considered before investing. The funds are long-term investments that involve a substantial risk of loss, including the loss of all capital invested. Past performance is not indicative of future results. Opportunities to invest in any security (of a Fund, of AV or in a syndication offering) is not a guarantee

that you will be able to invest and are subject to all terms of the specific offering. Diversification cannot ensure a profit or protect against loss in a declining market. It is a strategy used to help mitigate risk.

Any investment performance or outcomes discussed with you is provided for illustrative purposes only. Except where expressly noted, no representation is intended that any investment outcome shown or discussed is, or would be, representative of results obtained by any fund or investor associated with AV.
