

Important Disclosure Information

The Tech Optimist Podcast is for informational purposes only. It is not personalized advice and is neither an offer to sell, nor a solicitation of an offer to purchase, any security. Such offers are made only to eligible investors, pursuant to the formal offering documents of appropriate investment funds. Please consult with your advisors before making any investment with Alumni Ventures. For more information, please see [here](#).

One or more investment funds affiliated with AV may have invested, or may in the future invest, in some of the companies featured on the Podcast. This circumstance constitutes a conflict of interest. Any testimonials or endorsements regarding AV on the Podcast are made without compensation but the providers may in some cases have a relationship with AV from which they benefit. All views expressed on the Podcast are the speaker's own. Any testimonials or endorsements expressed on the Podcast do not represent the experience of all investors or companies with which AV invests or does business.

The Podcast includes forward-looking statements, generally consisting of any statement pertaining to any issue other than historical fact, including without limitation predictions, financial projections, the anticipated results of the execution of any plan or strategy, the expectation or belief of the speaker, or other events or circumstances to exist in the future. Forward looking statements are not representations of actual fact, depend on certain assumptions that may not be realized, and are not guaranteed to occur. Any forward- looking statements included in this communication speak only as of the date of the communication. AV and its affiliates disclaim any obligation to update, amend, or alter such forward-looking statements whether due to subsequent events, new information, or otherwise.
